

Contributor Membership Agreement

Version: 2022-11-28

This Membership Agreement (“Agreement”) is entered into as of the Effective Date (as defined in Section 5) by and between VDES Alliance, a Danish association, and Applicant as defined below.

1. Guidelines, Bylaws and Policies:

- Members are required to comply with VDES Alliance Governing Documents, policies, and procedures at all times while engaged in VDES Alliance-related activities.
- Members will assign and maintain current contact information for a minimum of two contacts to act as liaisons between the Applicant and VDES Alliance.
- Members are responsible for providing correct billing information.
- New members may join any time during the year and receive prorated membership dues calculated every quarter. Prorated membership dues will apply to new memberships only.
- VDES Alliance will reference received member purchase orders (POs) on invoices for accounting convenience. However, member PO terms and conditions do not apply. Payment processes remain bound by VDES Alliances membership agreement, policies and bylaws.
- VDES Alliance bills its members annually, in advance, for each calendar year membership. Dues are payable prior to the beginning of the membership year. Failure to pay the membership dues within thirty (30) days after the due date will result in suspension. Failure to pay the membership dues within sixty (60) days after the due date will result in membership termination.
- Members who allow their membership to lapse through non-payment of dues are required to pay the full year’s dues, in the year their membership lapses, in order to reinstate the membership. After the initial year of non-membership, former members are regarded as new members and will be entitled to pro-rated dues.
- If a member ceases to be a member or becomes a member at a lower fee level for any reason, or fails to comply with the membership terms established by VDES Alliance, no refund and no credit of any such membership dues or fees shall be granted. Members remain liable for all dues and fees due to VDES Alliance that remain unpaid on the date the membership concludes.
- Members may upgrade to a higher membership level during the membership year by following the upgrade requirements and by paying a sum equivalent to the difference

between the fees already paid and used and the number of fees that would be due at the time if they were a new member.

- Members will pay dues and fees within 60 days of the invoice date on the VDES Alliance invoice. All applicable taxes due in the relevant member region are the responsibility of the member. Members are responsible for all expenses and other costs they incur or any of their representatives or personnel incur in connection with VDES Alliance activities.
- Members may terminate their membership with VDES Alliance by sending an email to: vdes_alliance@sternula.com.
- Renewal of Membership is completed annually by the board of directors. They shall inform the members in writing of their continued membership or termination hereof.
- Members shall abide by their membership-related obligations. If grounds appear to exist for expulsion or suspension of a member the following procedure for expulsion shall be followed:
 1. A member shall be given fifteen (15) days prior notice of a proposed termination or suspension and the reasons for the proposed action. Notice shall be given by any method reasonably calculated to provide actual notice and may be sent electronically.
 2. A member shall be given an opportunity to be heard, either orally or in writing, at least five (5) days before the effective date of the proposed action. The hearing shall be held, or the written statement considered, by the Chairmanship to determine whether the termination or suspension should take place.
 3. The Chairmanship shall decide whether or not a member should be expelled, suspended, or sanctioned in some other way. The decision of the Chairmanship shall be final.

2. Articles of Incorporation, Bylaws, Guidelines, and Policies.

Applicant agrees to comply with the VDES Alliance Articles of Incorporation also known as the Membership Agreement Bylaws, guidelines, and policies as in effect from time to time, including any rules or directives adopted by VDES Alliance Chairmanship in connection therewith (the “Governing Documents”). Applicant acknowledges that it has reviewed copies of the Governing Documents and that it understands the contents of each of those documents. Applicant understands that these documents may be revised from time to time and new policies and guidelines may be added. VDES Alliance will post all such changes on its publicly accessible website and will notify members that such changes have been posted. If Applicant is dissatisfied with any changes, it may protest them. If VDES Alliance declines to address or respond to Applicant’s objections, Applicant’s sole and exclusive remedy is to resign its membership and to forfeit its remaining membership fees for the year.

Likewise, the Applicant agrees that its use of the name of VDES Alliance or any of its members shall comply with the foregoing restrictions. VDES Alliance may modify the Governing Documents at any time pursuant to the terms of section 1 of this Agreement, subject only to any limitations imposed by law. No delay or omission by either party in exercising any right under this Agreement will operate as a waiver of that or any other right. All waivers by either party hereto must be contained in a written instrument signed by the party to be charged. A waiver or consent given by either party on any one occasion is effective only in that instance and will not be construed as a bar to or waiver of any right on any other occasion. This Agreement is entered into for the benefit of Applicant and VDES Alliance and not for the benefit of any third party. Similarly, Applicant agrees that it will not assert rights under any agreement between VDES Alliance and any other member unless such agreement provides by its express terms that Applicant is an intended beneficiary of that agreement. In the event that any of the provisions of this Agreement shall be held to be either illegal or unenforceable, in whole or in part, under any enactment or rule of law, such term or part shall to that extent be deemed not to form part of this Agreement but the validity and enforceability of the remainder of this Agreement shall not be affected. In the event that there is a conflict between this Agreement and the Articles of Incorporation and Bylaws of VDES Alliance, the Articles of Incorporation and the Bylaws of VDES Alliance shall control. In the event that there is a conflict between this Agreement and any policy of VDES Alliance (including but not limited to the Intellectual Property Rights Policy), this Agreement shall control.
